## Get involved in the next H2020 NMBP proposals!

Venue  
Egmont Palace  
Place du Petit Sablon, 8  
1000 Brussels (Belgium)

Are you interested in...

- clustering around NMBP open calls (BIOTEC, EeB, FoF, NMP or SPIRE), proposing your organization or searching for partners?
- presenting your project ideas to the whole audience?
- getting in touch with European high-level industrialists and world-class researchers?

**Apply online now in <http://nanofutures.eu/brokerage/apply> free of charge!**

**Important:** your attendance has to be confirmed by the organization. If accepted, you will receive a link for your confirmation. **The registration will only be completed after your confirmation.** Participation is restricted to only one person per organization.
